1926 - 1996

The 1996 Stoddard town Report is dedicated to Jane Priscilla Abert. Jane's family summered in Stoddard for many years, before moving to town from New York City in the 1960's.

She was a member of the Stoddard Planning Board, long time chairman of the Stoddard Conservation Commission, and did the lake water quality testing. She was a member and supporter of the Harris Center for Conservation Education, and the Society for the Protection of New Hampshire Forests

She taught Sunday school at the Chapel-by-the-Lake in Munsonville and had been a Cub Scout and 4-H leader in Munsonville and Stoddard. She was artistic and for many years did the stage settings for the Stoddard school plays.

Jane will always be fondly remember for her late arrival at church and town events.

SELECTMEN'S NARRATIVE

On the budget front; we ended the year with a surplus of $32,851.79; we have spent nothing on interest, but have received $8,866.01 in interest. Our overall budget request is up about 1% from last year, a fraction of the inflation rate. This year will be the final installment on the Shedd Hill bridge.

Two of this year's most frequently asked questions have been, what's happening with E-911 and when are the transfer station renovation going to start. Considerable progress has been made in both areas, although it does not seem apparent.

Cartographic Associates has been retained to finish the E-911 project. With the help of John Secco they were able to use the data collected by the state, which helped reduce the cost of the project. A series of aerial photographs taken during the 80's were missing. Negatives were found and reprinted at a cost of $2,000, a considerable sum but less than new pictures. We will be asking for an additional appropriation to complete the project and place street signs.

We have obtained engineered Site Plan and Building drawings on the Transfer Station. These show the need to raise the building by two feet, to correct the grade. We went out to bid and received no bids! Privately we received one partial bid for raising the building, but the individual lacked worker's compensation insurance. This is a case where doing nothing may have saved a lot of money we don't need to spend. We have received a proposal from United Waste to manage and operate our facility for $10,000 less than we paid in 1996. They will not be using the building or the equipment. We may want to consider having the building removed and the appropriate site work done.

In closing we would like to express a special thank you to Rich and Besty Follansbee. They alway put in many hours maintaining the town buildings, this year they went the extra mile and gathered many of our local teenagers and painting the interior of the Town Hall and the exterior of the Old Fire Station. The interior of the Town Hall looked so nice that the church generously donated new window curtains and stage draperies. This is the first time in approximately one hundred years, that the town has had year round church services. Additionally, we would like to thank the church for the generous gift .

Sincerely,

Brenda J Bryer *John Halter, Chairman* *Louis GrandPré*

AUDITOR REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of Trust Funds, Cemetery Commission, Library Trustee and Boat Permit Agent have been examined pursuant to RSA: 41.31 for the year ending December 31, 1996.

In the opinion of this Auditor, these accounts together with their financial statements present fairly the financial position for the year end of the Town of Stoddard. These records also conform with generally accepted accounting principles applied using the cash basis method.

Virginia R. GrandPre', Town Auditor

STODDARD FIRE & RESCUE

In 1996 we responded to and participated in a total of 136 emergency calls and activities as follows:

* 26 rescue calls
* 9 motor vehicle accidents
* 24 fire calls
* 15 training drills
* 12 meetings
* 50 radio checks

We were glad to see our membership increase especially because it afforded us the opportunity to provide increased medical services to Stoddard townspeople, even though it substantially increased the costs necessary for proper personnel training. We also find that the efforts of our Junior Fire Department are contributing to the general efficiency while eventually building up our overall membership.

This year we purchased the "Jaws of Life" to help us extricate accident victims. They will help us save time and further injury while enabling us to provide quicker transfer to the hospital. We wish to thank Jerome Riesenberg for his help in getting us a Federal Grant of $4,500. thereby saving taxpayer money. We also would like to thank Mike and Sue Hayes for their support in providing "wrecks" for our training and decision making process in the selection of the proper extrication equipment.

Considerable work has been put into the new training building at the town transfer station. With the recent purchase of a new smoke machine we can now create a realistic scenario of a building fire thus increasing our training capabilities.

For 1997 we will be requesting the purchase of a new pumper truck. Presently we have in service a 1956 500 Gals. per min. pumper and a 1976 1,000 GPM pumper. Our intent is to retire the 40 year old 1956 pumper, replacing it with the new one and using the 1976 truck as the #2 machine.

This year was our first experience using a Life Flight helicopter to transport a seriously injured patient to the hospital at Hanover for treatment. We are extremely fortunate to have this service available to us.

STODDARD FOREST FIRE WARDEN

In calendar year 1996, fires throughout the State of New Hampshire were approximately 50% less than last year due to the amount of snow received during the winter and the amount of rain during the year. The town of Stoddard suffered very little loss this year with the help of all being aware of conditions and requesting burning permits at the appropriate times.

As of August 1, 1996 the State of New Hampshire implemented the S190 and S130 Basic Wildland Suppression course which took the place of the old course that was in effect for a number of years. This new course meets all federal standards that are set forth for wildland fires for western crews. As an instructor for the state I feel this 16 hour course will benefit our firefighters.

This year there were two Deputy Wardens and myself who attended training at Bear Brook State Park for preparation for western fire crews. John Wilder had completed the three steps needed to go out west on the western fires. On August 24, 1996 John received a call from the State of New Hampshire that his time had come. John left that same day and meet up with his assigned crew and spent 1 1/2 days at the airport waiting instructions. He finally left for Bent, Oregon where he spent 10 days with the western crews fighting fires. His trip was very educational and exciting. Good job John.

To aid your Forest Fire Warden, Fire Department and State Fire Officials, contact your local Warden to find out if a permit is required.

Violations of RSA 224.27 11, the permit law and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000.00 and/or a year in jail. Violators are also liable for all fire suppression costs.

Joseph Sarcione, Forest Fire Warden

STODDARD POLICE DEPARTMENT
REPORT

1996 motor vehicle accidents and juvenile complaints dominating our time. Twenty accidents occurred on Rt. 9, seven of them involving animals.

Juvenile complaints are increasing. We need the cooperation of parents in keeping an eye on their childrens whereabouts and the hours they keep. Only by educating our children and ourselves to learn to accept responsibility, solve problems without violence and understand the inherent dangers of alcohol and drugs can we continue to live the peaceful, comfortable lifestyle we have all come to enjoy here in Stoddard.

Burglary and thefts are down from previous years. I think largely due to the random patrols and our increased visibility.

I would like to encourage anyone that has a comment or question relative to the Police Department to talk to me about it. I have spoken to many people this year about general concerns involving the Department and Community. The number one concern I hear is the speeding on Rt. 123 between the church and Island Pond area. In 1997 I will be implementing a weekly patrol schedule to enforce all N.H. Motor Vehicle Laws and apprehend drivers impaired by alcohol and drugs. To help accomplish this I have hired a new Police Officer, Osman Oskan. Oz, as he likes to be called, brings with him a sense of commitment and impartiality. As you get to know him you will be impressed with his abilities and professionalism.

I would like to thank the townspeople for their continued support and assistance over the past year. A special "Thank-you" goes out to the Stoddard Fire & Rescue Departments for all of their extra effort in assisting us in 1996.

David Vaillancourt, Constable/Police Chief

STODDARD PLANNING BOARD

The Stoddard Planning Board has continued to meet on the first Tuesday of each month at 7:00pm.

During January and February work focused on completing and adopting Site Plan Review standards and procedures that apply to the development, change or expansion of tracts for non-residential uses and to multi-family units of three or more dwelling units. Site plan review regulations are intended to guard against conditions that would involve danger or injury to health, safety or prosperity of the community.

Also during this period the Board prepared changes to Article IV of the Community Planning Ordinance involving definitions and standards for Home Occupation and Home Business and a zoning change item for voters consideration on the March town warrant. The proposed standards for Home Occupation were accepted and should be reviewed by anyone considering establishing a business in their home.

In recent months the Board has been reviewing junk yard regulations from several states in preparation for consideration of regulation proposals appropriate for Stoddard.

Though there have been a number of citizen preliminary inquiries this year, only two sub-division applications were submitted to the Board, both of which received approval. One applicant requested the reconfiguration of lots in an existing subdivision, the second requested the creation of a house lot the sale of which will support an addition to the Pierce Reservation.

Members of the Board attended several information and training sessions including municipal law lectures on making land use decisions enforceable and on current developments in land use law.

I wish to again thank Patricia Putnam, Board Secretary, for her attention to the details and timelines required of the Planning Board. I also wish to commend Board members for their cooperative efforts to accomplish the work of the Board.

STODDARD ZONING BOARD OF ADJUSTMENT

1996 was an active year for the Stoddard Zoning Board of Adjustment. Although only three cases were heard, one of them was intensive, and involved for the first time, the Board handling an appeal process. The first case was referred to us by the Planning Board for a clarification of a nonconforming lot subdivision, and the other to the sign ordinance.

"Just what is the purpose of a Zoning Board?", is a question we are often asked. For the record, we are here to grant relief to an applicant who feels that strict application of the town's Zoning Ordinance are unfair to the applicant due to extenuating circumstances. It is your Board's responsibility to grant such relief if in their opinion the applicant qualifies for either a Special Exception or a Variances, depending upon the case, all within the parameters of the Stoddard Zoning Ordinance.

Sadly, September 15, 1996, we accepted the resignation of our newest member of the board, Doris Palonen. Doris has moved to Cape Cod. She was a valuable member of our board, insisting on fairness to the applicant as her first priority. We will miss her!

This leaves the board with only four standing members! We need a board of five. We are actively looking for that 5th member, could that be you? There is no special training nor expertise required to fill this position, just a good sense of fair judgment and willingness to serve. We meet as the need arises, and also intermittently for business meetings as they become necessary. If you would be interested in serving on the Board of Adjustment, please contact any member of the board. You will be rendering a valuable service to the residents of Stoddard and we would appreciate hearing from you. We are also in need of two alternates to serve when one of the standing members is unable to attend a hearing. Should you decide to fill any of these openings, you will find your time in service very informative and personally satisfying.

STODDARD ANIMAL CONTROL

1996 through mid-November shows a significant increase in the number of incidents requiring response of the Animal Control Department. To date there have been 98 requests for assistance with only 39 being handled through phone call only. Response calls have doubled over the last two years which is reflected in an increased expense to the taxpayers. Actual calls responded to numbered 59.

Calls in 1996 were:

3 animal welfare
2 animal bite
1 injured cat
4 assist to other ACO
6 dead animals
37 loose Stoddard dogs
17 animals lost (15 eventually located - of these 5 broke loose during the 4th of July fireworks)
4 nuisance (2 dogs, 2 cats)
23 strays (dogs, cats, horses, cows and 1 pigeon)
1 orphaned beaver (referred to Wildlife).

Two dogs taken to Monadnock Humane Society were never claimed by an owner resulting in a charge to the Town of Stoddard of $120. Each time a stray animal is taken to the Humane Society we contact nearby Towns to report the animal has been found and of the 23 stray dogs and cats found this year, only these two were never claimed.

Again, David Vaillancourt's continued support and assistance is truly appreciated. Thank you David!

We hope that everyone will make a wholehearted effort to keep their animals in their own yards for the safety and well-being of your pets.

Respectfully submitted:
Joan Zelasny, Animal Control Officer

DAVIS PUBLIC LIBRARY

The Library is open Thursday evenings from 7:00pm to 9:00pm and on Saturday mornings from 9:30am to 10:30am.

Over 400 books and many magazines were donated to the library this year. Almost 150 new books and videos were purchased during the year. Twelve periodical subscriptions are currently received. More than 1,200 volumes circulated during 1996.

A tub of flowers was placed at the library by Mr. & Mrs. John Secco and cared for by them, adding much to the appearance of the building during the summer season.

The annual book sale held during Old Home Days was very successful.

The library subscribed to the Junior Literary Guild again this year. We receive three new award winning books of different reading levels from the Guild each month. The library now has a substantial collection of video tapes and a small collection of audio tapes.

Earl Lund and Alan Rumrill designated their 1996 Rotary Bookshelf donations to the Davis Library. Miss Louise Johnson made a generous cash contribution. She also gave a book entitled "Garden Birds of America" in memory of Mrs. Evelyn Holmes.

We extend our thanks to all of the people who made donations to the collections during 1996. These included Henry & Hester Klie, Dennis Carlisle, Stoddard Fire Department, Phyllis Sawyer, Lena Vaillancourt, Jean & Jim Cass, Ruth Moe, Roberta Granferrari, Muriel & Oliver Quist, Nancy & Jim Bailey, Charles Chandler, Emily Hogue, Betsy Howard, Susan Warner, Nancy, Bobby and Tom Warner, Alan Rumrill, Eunice Fiske, and anyone inadvertently left off this list.

STODDARD CONSERVATION COMMISSION

This year was one of difficult transition for the Conservation Commission with the loss of Jane Abert. Jane was dedicated to understanding and protecting the natural resources in Stoddard. Her commitment and spirit will be missed.

We would especially like to thank the volunteers of the Lake Monitoring Program this year for carrying on. Unfortunately a summary report has not been issued by the State in time for inclusion with the Town report. A separate summary will be presented at a Conservation Commission meeting early in the year.

Nine applications were reviewed this year as well as site reviews of outstanding cases which Department of Environmental Services requested follow-up.

Landowners should be aware that there is an expedited or "short" form for projects of minimum impact. Any work involving dredging, fill, new construction or repairs - including docks, piers, abutments, retaining walls etc require an application to the DES. In addition, the Town has established a 50' buffer zone to wetlands and surface waters. No alteration is allowed in that buffer for new construction projects except by special exception granted through the Board of Adjustment.

The Commission is monitoring the two dredge construction projects, Shedd Hill Road and Route 9, as they move through the design phases.

Persons interested in joining the Conservation Commission should petition the Selectmen for appointment.

STODDARD OLD HOME DAYS COMMITTEE

Old Home Days 1996 under the chairmanship of Gordon Garnett was held July 12, 13, and 14. All events were well attended, and everyone had a great time. The opening event, a music show presented by Brian Murphy of Munsonville for children and their parents, was held Friday night at the gazebo near the church and was followed by the Church Ice Cream Social at the Town Hall. Saturday's parade kicked off from the Congregational Church at the usual 10:00 a.m. Music was provided by Post 4 American Legion Band. Public Buildings were open Saturday and there was a bazaar at the Town Hall. Frank Stuckey gave a Magic Show at the Fire Station. For the children there were games and the "Little Red Wagon" children's program at the fire station. A new event this year was the Scavenger Hunt. During the day the Junior Fire Department sold hot dogs, hamburgs and soft drinks and music was provided by Legion Band. The Historic House Tour was replaced with a walking tour of South Stoddard, the Shoults property, Robb property, and a talk on Stoddard Box, South Stoddard glass factories and Stoddard's unknown soldier. For supper there was the chicken barbecue at the Fire Station. The drawing for the raffle was held after the barbecue. Saturday's activities were wrapped with a dance at the Town Hall to the music of Turn It Loose.

The Sunday morning pancake and Eggs Benedict breakfast at the Town Hall was again a sellout. After church services there was a guided hike to the portable saw mill site near Taylor Pond near the Stoddard/Sullivan town line. Bob Wellwood led the hike. The Historical Society was open for the public and a concert by the Kevin Sysyn Band at the gazebo brought the 10th in this series of Stoddard Old Home Days to a successful conclusion.

The success of Old Home Days is due to the hard work and donations of many, many people. Without this support, this community event would not be possible. The committee gives its thanks to all supporters. Plans are already being made for next year's celebration which will be July 11, 12, & 13. If anyone would like to be on the committee or has ideas or suggestions for activities, please contact the committee chairman or secretary.

Agency History:

Monadnock Family Services was organized in 1959 following a joint study by the Cheshire County Community Services Council and the League of Women Voters (Keene and Peterborough). Originally named Monadnock Area Family Service, the agency was organized through a merger of the Bureau of Public Service and the Keene Mental Hygiene Association. The service operated in this form through 1966, expanding in a five year period to a staff of two full time social workers with psychiatric and psychological consulting support.

In 1967, following a study during the previous two years, a community mental health clinic service was organized providing direct psychiatric and psychological services. This program added two psychiatric consultants, a clinical psychologist and one social worker to the agency staff.

Now in 1992, Monadnock Family Services has grown from providing only outpatient services in its early years to providing a much broader range of services in response to community needs. MFS operates out of five district offices: Keene, Peterborough, Winchester, Jaffrey and Walpole. We serve the 38 towns of the Monadnock Region. Our services now include the following:

Counseling Services for Adults
Adolescent & Children's Treatment
Elderly Services and RSVP
Psychological Testing
24-Hour Emergency Services
Parenting Programs
Housing
Client Service Management
Partial Hospitalization
Community Support Programming/Vocational Services
Volunteer Center

Keene and Walpole District Office

The Keene and Walpole District Offices of Monadnock Family Services provides outpatient services for children and adults living in the towns of Keene, Alstead, Chesterfield, Fitzwilliam, Gilsum, Marlborough, Marlow, Nelson, Roxbury, Stoddard, Sullivan, Surry, Swanzey, Troy, Walpole and Westmoreland. Included among these services are individual, group, family and marital psychotherapy, as well as twenty-four hour crisis intervention. In addition, the Keene District Office provides special services for the Elderly, Vietnam Veterans, Adventure-Based Programs for Youth, Sexual Abuse victims, Sexual Offenders and pregnant teenagers and adolescent parents.

Monadnock Family Services is also continuing the alcohol and drug abuse prevention project in the Fall Mountain School District, Keene Junior High School and Keene High School. This project provides consultation to teachers, administrators, parents and students around ways to address the problems of substance abuse and chemical dependency.

The staff of the Keene and Walpole District Offices are all trained professionals who are committed to meeting the mental health needs of the communities they serve.

STODDARD SCHOOL BOARD

ANNUAL REPORT

If you have driven up to the school recently you have probably noticed that all of the playground equipment has been painted in bright colors, the work of the PTO. The PTO also raised money for a new piece of playground equipment, and were the "movers and shakers" for a 40 x 60' tarred pad on the playground for organized play and/or basketball. We are grateful to Land Contractors for donating much time and fill for the land preparation.

The PTO is a vital part of the school system and we encourage all parents and friends to participate. The PTO has also initiated a savings program for the students with CFX Bank. Weekly deposits are made by participating students. Learning to save at an early age is a valuable experience which, hopefully, will be continued throughout their lives.

We welcomed an enthusiastic new teacher, Kim Hamilton, for grades 2-3. She was hired one week before school started, but on opening day her room was not only ready, it was a delight to enter with colorful, inviting learning displays and mobiles.

Penny Betz, our art teacher keeps the school decorated with exceptionally interesting and varied art work done by the students. Penny has also been working as an aide.

Students come and students go, so one of our largest expenses is an appropriation gamble. Tuition costs are very high, so we budget for only one extra tuition for Middle School and High School. This past year we ended with approximately $37,000 with unexpended funds. Normally this amount is used to reduce the appropriation for the coming year, but we opted to make an extra year's payment of $25,000 on our building debt, thereby saving about $7,000 in interest. This means that instead of the debt being paid off in the year 2000, it will now be paid off in 1999.

Bus behavior continues to be a problem from time to time. We wish to remind parents that transportation is a privilege in the higher grades, NOT a right. We need your cooperation.

After a fourth reading, a new school philosophy has been updated and was adopted at the January meeting. The original philosophy was adopted in 1974.

The need for a multipurpose room has become very evident, and a very capable committee will have all details ready for a vote in March. We are working with Bill Jean of Team Design, Inc. located in Londonderry. Coincidentally, Bill Jean drew up the original plans for the all purpose room when the school was built. At that time, voters opted to build only the school. The new addition on the ballot will cost less than the original, yet is being custom done to today's needs.

Many thanks again go to Ray LaGasse, who has been working with Bill Jean, answering the multitude of questions that come up as preparations are made. Ray continues to keep the facility in top shape, and keeps track of the many mundane details of monitoring water tests, filtration, electrical problems, etc. He continues to keep the grounds attractive and has plans for the cul de sac, involving the children.

We are grateful to the Girl Scouts, whose perennials, planted last year, popped up in the spring and kept blossoms going all summer.

A new school sign, made by Jim Taylor, has been erected near the flower bed in the cul de sac.

The Selectmen have indicated that they intend to tar from the Center Pond Road to the school and around the cul de sac. All of us, and especially the teachers and bus driver, who drive through those ruts in the spring, will be most grateful, and the mud tracked into the school should all but disappear.

We are always happy to hear your ideas and comments.

HEAD TEACHER'S REPORT

Last spring, Mrs. Murphy's class of Kindergartners and First Graders spent some time studying the following topics: Health and Safety, Dinosaurs, Earth and Seasons, Endangered Animals, Wetlands and Oceans. Grades K through 3 took a field trip where students were able to investigate tide pools and see some of the ocean life that they had been studying about.

This fall, the Kindergarten/First Grade class learned about these subjects: Ants, Planting, Autobiographies and Biographies, Self-awareness, Multicultural Math, Worms, and Nutrition. The class has been monitoring their worm compost, and earlier this school year they created and decorated their own teepee.

The Grade 2 and 3 class started the year out with a new teacher. Mrs. Kim Hamilton is our new full time teacher. Penny Betz, who came on staff last year as our Art teacher, is now also a full time aide for this class. This fall their class had a unit on Charlotte's Web. The class also studied spiders and map skills. Some of the students have been working on a new literature based reading program with the children's novel How To Eat Fried Worms.

Recently, the class has embarked on cursive writing. The children had been looking forward to it for quite a while. In Math, the second graders are working on borrowing and carrying, while the third graders have begun multiplication.

Another staff member, new to us this fall, is Jeanne Kennedy. This name may sound familiar, because Jeanne was working for us a few years ago, as an in-school tutor. Mrs. Kennedy is now our Music teacher. She was a big help in putting together this year's Christmas Program.

My class of Fourth and Fifth Graders had an in-depth study of penguins, which was the basis of our reading program's book: Mr. Popper's Penguins. Along with penguins, we also learned about Antarctica and its explorers. In early spring, my class had the wonderful opportunity to go and see the Broadway production of Joseph and the Amazing Technicolor Dreamcoat! This made for a great culminating event to our studies of Egypt, which had taken place earlier in the year. In closing the school year, our last trip was to Heritage, New Hampshire. This trip makes for a perfect finale to our year-long study of colonial life and New Hampshire History.

This fall, our class began a unit on the Middle Ages. This is the setting for one of our literature based Reading program books, The Whipping Boy. Students have been learning how to become a knight, and about the suits of armor they wore. Mrs. Betz has been doing a wonderful job of integrating her art lessons into our Medieval theme. Soon, students will be designing and building their own castle models.

Once again, I would like to close by thanking the many people who help out at the school. Denise Pratt and Gloria Harper devoted a lot of time in getting the playground spruced up. It is looking great! Nancy Cressy has been in the school numerous times this fall to run some delicious cooking classes. Nancy puts forth a lot of time and supplies for these lessons. To all those of you I did not mention, we send out a BIG THANK YOU!! We appreciate each of you, and want you to know that you have helped to make the Stoddard School a better place to educate our children.

Respectfully submitted,

Mark LaFleur
Teaching Principal

1996 - 1997

The school health program for this calendar year has gone smoothly. We have been spared the burden of pediculosis (head lice) that other districts have been continually battling. We remain vigilant.

The health screenings and immunizations review were completed early on, as per state requirements. I will be screening for scoliosis in the spring with the fourth and fifth graders.

Health education classes are an ongoing process involving all children. To date this year, we have covered issues such as smoking, keeping your body safe, and the emotions of happy, sad and in between. We continue to utilize The Great Body Shop, and hopefully these are coming home to be shared and worked on with the family.

I have enjoyed working with the children in this capacity. They are full of interesting and thoughtful ideas.

Respectfully submitted,

STATE OF NEW HAMPSHIRE
STODDARD SCHOOL DISTRICT
ANNUAL MEETING
1996 WARRANT

The 1996 School Warrant Meeting was opened at the Stoddard Town Hall on March 14, 1996 at 7:05 p.m. by Moderator Daniel Eaton. John Halter led the Pledge of Allegiance at the request of Daniel Eaton. Present at the meeting from the Stoddard School Board were Chairman Mary Lou Eaton, Brenda Howard and Cheryl Woods and Clerk Marline Leotta. Present from S.A.U. #24 were Superintendent Donald Jones, Business Administrator James Crane, and Special Education Secretary Linda Smith. Present from the Stoddard School Staff were Head Teacher Mark LaFleur, Trish Murphy and Carla Larson.

Article 1. To choose by nonpartisan ballot the following School District officials:

A. One School Board Member - 3 year term
B. One School Board Member - 2 year term
C. One Moderator - 1 year term
D. One Treasurer - 1 year term
E. One Clerk - 1 year term
F. One Auditor - 1 year term

Mary Lou Eaton moved that the polls be open until 7:30 p.m. or the close of the meeting whichever occurs last. The motion was seconded by Brenda Howard. Motion carried unanimously by voice vote.

Moderator Daniel Eaton called a voting recess to allow those present to vote. The recess was over and the meeting called to order at 7:17 p.m.

ARTICLE 2. Brenda Howard moved to accept the reports of agents, auditors, committees and officers chosen as printed in the annual report. The motion was seconded by Cheryl Woods. Motion carried unanimously by voice vote.

ARTICLE 3. Mary Lou Eaton moved to determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District as presented in the 1996-97 budget. The motion was seconded by Brenda Howard. Motion carried unanimously by voice vote.

ARTICLE 4. Cheryl Woods moved that the District raise and appropriate the sum of $695,042(six hundred ninety-five thousand, forty-two dollars) for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the District. The motion was seconded by Mary Lou Eaton. An amendment was offered from the floor by Nancy Cressy to amend Article 4 to raise $696,882.00(six

hundred ninety-six thousand, eight hundred eighty-two dollars). The motion was seconded by Lynne Jarest. The voice vote being inconclusive a standing vote was taken and the motion carried 10 - 6.

Discussion from the floor included comments that some parents felt all teachers should get a 3% raise. Brenda Bryer asked that people have faith in the Board, that they were making the correct decision.

ARTICLE 5. To choose agents and committees in relation to any subject in this warrant. Mary Lou Eaton moved to indefinitely postpone Article 5. Brenda Howard seconded. Motion carried unanimously by voice vote.

ARTICLE 6. To transact any other business that may legally come before said meeting. No action taken.

Discussion from the floor included comments on forming a committee to investigate costs of adding a multipurpose room to the school. Denise Pratt reported that the committee working on the question last year found it would cost more money to have someone assess the situation than was available. Don Jones suggested the Board could find a few hundred dollars to pay for someone to estimate the cost of an addition. If the Board decided to go ahead with the project there would have to be a warrant article on next year' warrant. The Board thanked Denise Pratt for her work on last year's committee.

Daniel Eaton asked the Board to direct legal council to format next year's warrant in currently recognizable form. This refers specifically to Article 5.

Mary Lou Eaton moved to adjourn the meeting. The motion was seconded by Brenda Howard. Motion carried unanimously. Meeting adjourned (and voting completed) at 7:42 p.m.

SUPERINTENDENT OF SCHOOLS REPORT
MARCH 1997

To the Citizens of Stoddard:

As we approach another budget development phase for the community of Stoddard, we need to keep in mind the overriding reasons for providing the educational experiences that we offer. Abraham Lincoln so ably pointed out the fact that what we provide now in policies and procedures will come back to us in many ways since the children of today will assume control of our towns, schools and states and the fate of humanity will be in their hands.

The school board, administration, teachers, staff and various volunteers in the district have demonstrated the expertise and dedication to offer the best programs possible within the approved budget that you have provided. We are fortunate that many of our students have been, and are involved in several educational programs that have provided them with the life skills to become contributive, progressive members in their chosen fields of endeavor. Please refer to the individual reports from the school board and head teacher for examples of such programs.

We continue to stress that greater effort, stronger achievement, higher expectations and greater communication will develop an effective and accountable learning system.

We are well aware that no single component can accomplish our goals for the children of the district; but, if we deepen our commitment, together we can enhance the programs and involvement with our future - our children.

Please contact us if you have any comments or questions regarding the programs being offered, we truly do wish to engage in conversation with you.

Respectfully submitted,

F. Donald Jones
Superintendent of Schools

Equalization Rate; Each year the Selectmen complete a report for the Department of Revenue Administration. This report list all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sales was within a family. Based on this information the Department Of Revenue Administration calculates the percentage of Assessed Value to Market Value. Stoddard Assessed Value has been greater than Market Value since 1991.

The 1996 rate will be set in March 1997.
